Dear Gene,

Once again I am honored by your invitation to join the March 4th session of IMDI's Washington Briefing Series. The format you propose provides the opportunity for an informal dialogue which I have found to be very effective.

If I can accept with a proviso that the demands of my office may require a late cancellation, I would be pleased to participate. In such an eventuality, I would try to find a suitable substitute if you desire. As the time draws near, my assistant [redacted] will be pleased to work details with your staff.

Yours,

STANSFIELD TURNER
